TO WHOM IT MAY CONCERN:

Tina Novellino has been in our employ since September 1981. During this period of time she has exemplified outstanding performance. She was always prompt, reliable, and conscientious. Our clients had requested her to return on numerous occasions. Her assignments involved such companies as Revlon, Cushman & Wakefield, Charles of the Ritz, Bache & Co., Wamsutta, all of which gave her excellent evaluations.

I would recommend Tina highly for any job she would be considering.

Sincerely,

Nadine Berkowitz
